Sir,

Subject - Re-election of a Non-Official President,
for Kolar Gold Fields Town Municipality
*** \

With reference to your letter No L 12770 dated 16th March 1946 on the above subject, I have the honour to forward herewith the file of connected papers and with this office reference No L Dis 2205/45-6 dated 6/16th March 1946, addressed to the President and to state that this was recently converted into a Town Municipality. There have been bitterly opposed factions in the Council. This is an important place and it is not therefore, desirable to grant the privilege of electing a non-official President so early. I have therefore, ordered that the question might be deferred for the present as it is still premature. Recently I have inspected this Municipal office and found that the work was not quite satisfactory. If the privilege of electing a non-official President is given, I am afraid, that the Municipal affairs would grow worse. I think it is necessary that the affairs of the Municipality should be in an efficient condition before its control and management is made over to a non-official President. I have therefore, instructed the official President to see that the affairs are improved and that the work is brought to standard. I shall be closely watching the affairs of the Municipality and I shall submit necessary proposals to Government for giving the privilege of electing a non-official President as soon as harmonious conditions prevail among the Councillors and the affairs of the Municipality are improved

I invite kind reference to the connection to this office Letter No DJ C 207 of 45-46 dated 17th May 1940 reporting on the subject the interval between the date of the order and the date of resolution of the Council for reconsideration being short to expect any improvement as alleged, I hold the opinion expressed already
